INSTRUCTIONS FOR PHOTOGRAPHY

1. A group should consist of a minimum of 10 and a maximum of 100 people. It can be e.g. a family, a school class, a club, inhabitants of a village/town, a religious community, a group of friends.
2. Several groups from one country can be represented.
3. Take photos with your smartphone and use landscape format. Leave some space at the head end and under the chin.
4. The person you are photographing looks directly at you (frontally).
5. The background should be clear and bright.
6. Essential: The atmosphere should be friendly and appreciative. (Please respect the dignity of the person. Those involved should be informed about the idea of the project beforehand).
7. Send me the photos of a group with the name of the assistant and the name of the group and the name of the country
Via WhatsApp: +49-170-1887140
Via E-Mail or wetransfer: mail@helzle.com
8. Each group gets a picture from me (on the right is an example from Kathmandu, Nepal, with the group portrait in the middle).
